ALL PRAISES FOR IMRAN KHAN!
Imran Khan has been clocking up a lot of air miles in the past one week! Imran, who has been traveling across the length and breadth of the country to promote his film 'Kidnap', is finally back in Mumbai. Following in his Mamu Aamir Khan's footsteps, Imran believes in doing everything with sincerity and gives his 100% to whatever he does. This is what has impressed his producers Shree Ashtavinayak Cine Vision Ltd. Says Dhilin Mehta, "Imran is not only a hardworking artiste but also a person who directs his entire energy, time and efforts to do something thoroughly. When we undertook the promotional tour of Kidnap, Imran was always cooperative and would turn up for everything on time. Despite his overnight rise to stardom with his debut, Imran is a down-to-earth actor, not prone to starry tantrums. He is a thorough professional and we look forward to our next film 'Luck' with him."
Looks like impressing people comes easily to Imran!
